

## [Osprey Coaches](#) [Risk Assessment pack for schools and youth groups](#)

We hope the following information will inform your Risk Assessment planning and enable us to continue to provide a safe, efficient, reliable and friendly service.

### **The Company**

- We hold full vehicle insurance and public liability cover
- We have a 24 hr emergency contact and contingency plans in place in the event of any break-down/accident/driver illness (see below)
- We monitor and keep tachograph records in line with EU legislation

### **Our Coaches**

- All coaches conform to Dept of Transport requirements
- Vehicles conform to R66 rollover where appropriate
- All coaches are fitted with seat belts to all seats
- All display a valid Operators License.
- The fleet of coaches is regularly maintained and serviced by fully qualified third parties.
- All coaches travelling to the continent have exit doors to the near side continental carriageway
- All coaches inspected 6 weekly

### **Our Drivers**

- Our DBS checked drivers are all highly experienced in British and Continental travel
- All drivers are checked and vetted at appropriate intervals regarding their health and fitness to drive, previous driving experience and convictions
- All drivers are CPC qualified and hold full PCV licenses
- All drivers are employed using our Safer Recruitment Policy (see link)
- All drivers are aware of our Child Protection Policy (see link)
- All drivers are prohibited from using mobile phones or electronic devices unless the coach is stationary or is equipped with a hands free system
- All drivers will provide adequate rest stops in accordance with EU regulations
- All of our drivers are expected to provide a professional and courteous service at all times
